Not Too Old to ... Leave a Lasting Legacy

"What we have done for ourselves alone dies with us; what we have done for others and the world remains and is immortal."

Albert Pine

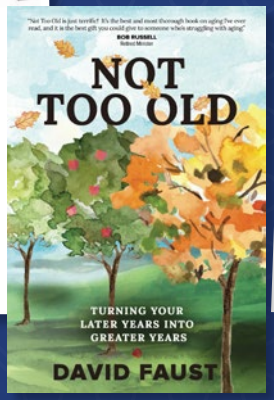

"Not Too Old to ... Leave a Lasting Legacy, Financial Tips for Older Adults" was the title of the E91 Foundation's well-attended breakout session during this past August's Not Too Old Conference at E91 Church. The conference attracted more than 350 attendees!

One of the slides used during the Foundation's breakout session asked, "How is 'legacy' defined?"

Leg•a•cy *| 'legəsē |*

1. *An amount of money or property left to someone in a will: "My grandmother died and left me a small legacy."*
2. *The long-lasting impact of particular events, actions, etc. that took place in the past, or of a person's life: "He left us a rich legacy of buildings that are both innovative architectural creations and genuine works of art."*

"Decisions we make today help shape the legacy we leave at the end of life," wrote Ray Borg in a May 12, 2023, devotional titled "Leaving a Lasting Legacy" (notmine.ca). "Our children and others watch how we live our lives," Borg continued, adding, "even from an early age, we influence their perspectives on giving and sowing into the Kingdom ..."

Have you asked yourself what legacy you wish to leave?
